

# Type 1 Enclosures

## Protective Weather Hood

**APPLICATIONS** - Offers protection from falling dirt, rain, snow and other elements.

**CONSTRUCTION** - Fabricated from 16 gauge carbon steel. Hood has a drip shield type front and is flanged on sides and rear.

**FINISH** - Standard RAL 7035 texture polyester powder coat finish on interior and exterior of enclosures. Recoatable, smooth, white or ANSI-61 gray available at no charge. Standard RAL and custom match finishes available for an additional charge,

please contact Schaefer's Electrical Enclosures, Inc. for further assistance. All powder coat finishes applied over cleaned phosphatized surfaces.

**OPTIONS** - Schaefer's Electrical Enclosures, Inc. can modify standard hoods or custom design a hood according to your specifications. Sizes and many more options are available. Quotations upon request.
